JOEL BERMAN GLASS STUDIOS LTD

## COMPANY PROFILE

Joel Berman Glass Studios is among the leading independent designers and manufacturers of architectural glass art and related glass products in North America. The company specializes in the design and fabrication of kiln-cast and pressure formed textured glass for a wide range of applications in corporate, commercial, hospitality, retail, governmental and residential environments worldwide.

Continually striving to expand the boundaries and possibilities of glass for more than 25 years, Joel Berman Glass Studios today enjoys a global reputation for delivering the finest quality designer glass products and services, all delivered with unparalleled custom focus.

Joel Berman Glass Studios products and services include:

- o Kiln-Cast Glass – original texture designs, handcrafted
- o Pressure Formed Glass (Berman Glass **editions**), a design-driven, readily available, economical line of textured glass
- o Color Coatings and Texture Coatings
- o Design Services
- o Hardware
- o Original Glass Art

Textured cast glass is available in sheets up to 60" wide x 120" high, in both tempered and annealed glass of varying thickness. Finishes include transparent, translucent, sfumato and opaque in a wide variety of colors. Textured glass is suitable for a multitude of interior and exterior applications including:

- |                  |               |             |             |
|------------------|---------------|-------------|-------------|
| o partitions     | o balustrades | o bridges   | o walls     |
